1. The learner will demonstrate proper use and maintenance of hand tools.
2. The learner will demonstrate proper use of First Aid and CPR.
3. The learner will demonstrate proper use and maintenance of power tool

Assessments:

Students must achieve no less than 80% or B for a final grade in the high school course to receive ACC.

ACC Concept:

Skills for selected courses required for graduation in programs at the colleges participating in this regional agreement are taught in our schools using the assessments developed collaboratively by secondary and post-secondary staff. High School credit is earned and college credits are earned if the student meets the college achievement.
