Quizzes
Exams
Case Studies
Discussion Boards

Agreement Description:

This course is an introduction to the principles of law as they apply to citizens and businesses. Topics include the court system, legal system, contracts, negotiable instruments, and agency and employer/employee relationships.

ACC Concept:

Skills for selected courses, required for graduation in programs at colleges listed are taught in participating High Schools using the assessments developed collaboratively by secondary and post secondary staff. High school elective credit is earned and college credits are earned if the student meets the college achievement standards and later enrolls at a college listed on this agreement in a major requiring the course or courses.
