Agreement Name: **Basic Drafting Technologies Elective**

Agreement Last Reviewed: **Fall 2023**

Next Review Date: **Fall 2025**

College Courses			
Class	Title	School	Credits
MDAD 0	Basic Drafting Technologies - Regional	Minnesota State College Southeast	1.0 of 1.0

These credits are valid for students 2 years after high school graduation from the completion of this course.

Curriculum Content Objectives

100% of the curriculum learning outcomes will be covered in the high school course(s) by qualified CTE high school instructor(s).

These credits are designed for high school students to earn 1 full elective credit in the Drafting Technology program. High School curriculum areas that may be eligible to articulate are:

- New Product Development
- Engineering
- Welding
- Construction Trades
- Fabrication
- CAD
- Industrial Media
- Drafting and Design

Assessments

Students must achieve no less than 80% or B for a final grade in the high school course to receive ACC.

ACC Concept

Through Articulated College Credit (ACC), specific college curriculum content goals and assessments are embedded in participating high school career and technical education (CTE) programs as specified in this agreement. Relevant knowledge, skills, and standards are taught by qualified CTE high school instructor(s) in one or more high school course. ACC is awarded if the student meets the college equivalency standards and later enrolls in the college(s) listed requiring the course in a specific program.
