9. Format tables: Box, Open & Ruled
10. Produce documents from rough draft
11. Perform vertical and horizontal centering
12. Create numbered and bulleted lists

*\* References – end notes and works cited*

## **Assessments:**

Students must achieve no less than 80% or B for a final grade in the high school course to receive ACC. Colleges require a keyboarding assessment upon entering program for all students.

## **ACC Concept:**

Through Articulated College Credit (ACC) Program, specific college curriculum content goals and assessments are embedded in participating high school career and technical education (CTE) programs as specified in this agreement. Relevant knowledge, skills, and standards are taught by qualified CTE high school instructor(s) in one or more course(s). ACC is awarded if the student meets the college equivalency standards and later enrolls in the college(s) articulated requiring the course in a specific program.
